To whom it might concern,

This letter is in reference to the Ace Dot Services Limited cleaning company. Although I have been dealing with them for about 3 months, I can honestly say that they are the best cleaning company I have dealt with so far in my life. Furthermore, they are overall one of the best companies I had the pleasure to deal with. Their cleaning services are top notch, they go far and beyond to make sure I actually felt the house was cleaned (compared to other companies that sometimes did more of a superficial job). They are reliable, responsible, on time, professional and they even painted my walls on an emergency call. Day or night, I had a problem, they were always there to help and I really felt that they cared for me as a customer.

All in all, I will recommend this company to all family and friends. I have all confidence in them.

Kind regards,

Mihnea Mirea.
